Welcome to hi-designs

Bringing together the contemporary and the traditional, Hi-Designs weaves subtle elegance into your lifestyle. Handcrafted, Cruelty-free and Proudly Indian, Hi-Designs brings the vibrant Indian culture to the modern world.

We are unapologetically Indian. Proud but humble. Weaving tradition with the contemporary, we bring the modern Indian classic to the world.

Everything is thoughtfully designed. Our artisans then sculpt them to life - by hand. We thus make something that is authentically you.
